Hello! My name is Ms. Breanna, and I'm thrilled to be part of your child's early learning journey. I've been working in early childhood education for over 20 years, and every day I continue to find joy and purpose in watching children explore, grow, and discover the world around them.

I earned my education at RCC, where I developed a deep passion for supporting children's growth through play-based learning. What I love most about teaching is watching the discovery of learning something new — that moment when a child's eyes light up with understanding — and seeing their confidence blossom as they master new skills.

In the classroom, I strive to create a warm, nurturing environment where children feel safe, supported, and inspired to explore. My goal is to encourage curiosity, build self-esteem, and help each child develop a lifelong love of learning. It's a true privilege to guide young learners through these important early years, and I look forward to celebrating each milestone together!

*You, Lord, keep my lamp burning; my God turns my darkness into light.
