

Ms. Gwendolyn Kiessling

Outdoor Classroom Coordinator

Team 6 – Enrichment

2010

Ms. Gwendolyn is so pleased to be part of young children's lives. Teaching, learning, and playing are integral to the relationship between adults and children. Her journey toward becoming a preschool teacher began with a desire to become a mother.

Ms. Gwendolyn graduated from California State University, Los Angeles, with a Bachelor of Arts in Family Studies and Child Development and a minor in Sociology. She currently holds a Master Teacher permit through the state of California. She regularly attends workshops, parent forums, and classes for the Outdoor Classroom.

Ms. Gwendolyn began working with children in 1993. Her experience includes working with infants through age 6 as a Teacher Associate and as a Lead Teacher in a variety of preschool settings.

Ms. Gwendolyn and her husband are both educators. They have two athletic sons and one cat. Her hobbies include baking, sewing, gardening, and singing. Supporting her sons' endeavors is another great joy in Ms. Gwendolyn's life.

Ms. Gwendolyn is currently interested in learning more about students' special needs. She finds passion in working with children and sharing with them the joy of learning through creative experiences.

*Let the heavens rejoice, let the earth be glad; let all the sea resound, and all that is in it.
Let the fields be jubilant, and everything in them; let all the trees of the forest sing for
joy. Let all creation rejoice before the LORD, for he comes...*

Psalm 96:11-13a
