

Ms. Morgan Ryan

Associate Teacher

Room 3

2024

My name is Ms. Morgan, and I have worked in the education system for 15 years. I was an instructional aide for the Pasadena School District and have worked with various ages.

I've also been a home care provider for a year with a 3-year-old. I'm always learning new things and want to keep learning, which keeps me on the path to being a great teacher for your little ones.

I am incredibly versatile and eager to learn the unique love language of my colleagues and PSC families. It's great to meet you all!

Do everything in love. 1 Corinthians
