

Ms. Morgan Valenzuela

Associate Teacher

Room 3

2024

Ms. Morgan began working at Pasadena Christian Preschool in the fall of 2024. Prior to that, she had 15 years of experience in education, including special education, home care, and driving instruction. It's clear that teaching is in her bones.

Originally from Pasadena, Ms. Morgan grew up just five blocks from Pasadena Christian School. Married in September 2026, she has a family that includes her husband and her teenage stepdaughter.

Ms. Morgan has truly enjoyed learning about early education and child development thanks to the excellent support and guidance provided by her fellow teachers and the preschool directors.

Incredibly versatile, Ms. Morgan is eager to understand the unique love languages of her colleagues, students, and the PSC families.

"Nice to meet you all, and God bless!" - Ms. Morgan

Do everything in love.
